

Elementary Battle of the Books Combs Elementary 2019-2020

We are so excited to kick off this year's Battle of the Books team! We love to gather Combs' readers together and share our love of reading! If you also like to add a little competition in there, join our team!

Battle of the Books is a team competition centered around 15 pre-selected books. Students read the books and then we participate in a District Competition in February against other WCPSS schools. *Students will need to have read at least 8 of the books by Winter Break to be considered for the official team.*

For the first few months (until Winter Break), team members will:

1. Meet once a week during lunch
2. Read from the pre-selected book list
3. Use an online quiz program to review knowledge of books
4. Take paper pencil quizzes to show recall

Name: _____ Grade: _____ Teacher: _____

What is your favorite book? _____

About how many books did you read over the summer? _____

Why do you want to be part of Combs' Battle of the Books Team?
